Colts League

Due to the nature of the NLD Colts leagues there are no league wide rules.

Any rules with regards to substitutions, time and player make up should be agreed prior to kick off. Positive principles in the spirit of the [Game on Principles](#) should be encouraged.

A reminder of some points to note with colts' rugby, that while referees are not responsible for enforcing, we should be aware of:

- Dispensation of Players 'playing up' and age group – [RFU Regulation 15](#) – Section 15.3
- [Age grade law variations](#)
- [Half game rule](#)
